

A2 Card Sets, (5½ x 4¼ Inches)

These 7 pages feature original photography by Dennis Myers on custom designed and printed note cards. The subjects include astrophotography (the Milky Way - our newest set shown below), flowers, butterflies, landscapes, national parks, covered bridges and antique cars, tractors and trains. All card sets have seven different cards, are blank inside and include seven envelopes.

Thank you for visiting our note card section.

Note card sets are for your pleasure of sharing excellent photography of the magic of God's creation or subjects of special interest when you write to friends and acquaintances. They are perfect for "thank you" notes and notes of encouragement.

All cards are printed on high quality, coated matte card stock designed for greeting cards. Printing is on six color ink jet printers for superior color brilliance and archival stability. They are hand folded for accuracy and individually inspected.

Printed in the U.S.A.
